Discussion topics

- Oregon's rule change concerning the PE Structural
- Update of the PE Structural exam dates
- Implications of decoupling
 - Other states decoupling exam from experience
 - List of states decoupled PE/SE
 - Concerns of Pearson Vue reservation/scheduling
 - WA State rules concerning decoupling
- Candidates' quality of experience (are we doing enough)

Strategic Planning Items

- Develop positive strategies and offer applicants clear pathways towards professional licensure.
- Continuously challenge processes and search for better ways to accomplish our work.
- Interface with city, county and state officials and regulatory authorities to aid in regulating the practice of engineering, and surveying and on-site wastewater designs.
