Purpose: RCW 18.43.150 & RCW 18.210.200 requires the Board to "set fees at a level adequate to pay the costs of administering this chapter." Fee increases are needed to mitigate the risk of fund balance depletion due to expenses exceeding revenues and to offset the rising costs associated with inflation and to cover the expanding expenses of our programs. By implementing this fee increase, we can maintain our commitment to delivering high-quality services and support, while also investing in future initiatives that will benefit our licensees.
