Exam Qualifications Committee
Agenda
October 19, 2021
2pm-4pm

- It was suggested that the EQ work on a form for applicants to fill out that identifies how exams in foreign jurisdictions could be equivalent to the NCEES FE exam. The committee came up with a partial list of what the form would ask including that the exams must be independently proctored & graded, given through a government agency or recognized NGO, and that the subject matter is equivalent to the subject matter covered on the NCEES FE exam. This information would have to be obtained by the applicant and reviewed by the EQC before any licensing eligibility decisions are reached.
