**Agency:** Board of Registration for Professional Engineers and Land Surveyors

**Subject of possible rule making:** WAC 196-32 On-site wastewater treatment system designer licenses/inspector certificates of competency.

**Statutes authorizing the agency to adopt rules on this subject:** RCW 18.210.050 and RCW 18.210.060

**Reasons why rules on this subject may be needed and what they might accomplish:** These rules have not been significantly updated since the on-site program was established. Amendments to existing language will better define requirements for examination and licensure for both the on-site designers and inspector certificate of competency holders.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:**

**Process for developing new rule (check all that apply):**

- Negotiated rule making
- Pilot rule making
- Agency study

Other (describe) Notice will be made to stakeholders and active licensees via the board's contact lists; and will be posted on our website and distributed through the board and board staff. Interested parties may contact the individual listed below and the public may also participate by commenting after amendments are proposed by providing written comments or giving oral testimony during the public hearing process.

**Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:**
