Agency: Board of Registration for Professional Engineers and Land Surveyors

Subject of possible rule making: WAC 196-33 Rules of professional practice for licensees designing on-site wastewater treatment systems

Statutes authorizing the agency to adopt rules on this subject: RCW 18.210.050 and RCW 18.210.060

Reasons why rules on this subject may be needed and what they might accomplish: To amend language regarding the use of the stamp/seal by an On-site Designer, and to amend the section regarding Direct Supervision, so it is easier for the licensees to understand.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study

Other (describe) Notice will be made to stakeholders and active licensees via the board's contact lists; and will be posted on our website and distributed through the board and board staff. Interested parties may contact the individual listed below and the public may also participate by commenting after amendments are proposed by providing written comments or giving oral testimony during the public hearing process.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
